ABOUT ME

I'm a UI/UX & Frontend Developer with 3 years of experience, skilled in HTML, CSS, JavaScript, and modern frameworks like Angular and React. I specialize in creating responsive, user-friendly interfaces using Bootstrap, Tailwind CSS, and Material UI. Focused on delivering high-quality, maintainable code and optimal user experiences I am seeking an opportunity where I can fully utilize my skills and abilities while also meeting and exceeding the expectations of my employer.

EDUCATION

2020 - 2023

Patel Web Solution

UI/UX & Graphic Design

EXPERIENCE

2025 - Present

UI/UX & FRONTEND DEVELOPER

A UI/UX & Frontend Developer specializes in designing and building visually appealing, user-friendly, and responsive digital interfaces. Key skills often involve HTML, CSS, JavaScript, and modern frameworks such as Angular, React, along with design tools like Figma, Adobe XD, Photoshop, Illustrator, CorelDraw, Sketch. A strong focus is placed on user-centric design principles, and performance optimization.

2022 - 2024

FRONTEND DEVELOPER

Code Quality
technologies

I'm working as a frontend developer in Angular for the past 3 years. Communicated directly with clients to understand their needs and provide updates. Participated in daily standup meetings to coordinate project activities.
